CETA News 2007

It's time for the Coldsprings-Excelsior Taxpayers Association (CETA) annual membership drive. CETA is a nonprofit organization, chartered for the betterment of our community and exists with all-volunteer help. All Taxpayers, regardless of the township they reside in, are welcome to become a member and avail themselves of the activities and hall rentals. This is a nonprofit organization which is solely supported through dues, donations and all our fund raisers. These funds provide the income necessary to pay for all utilities, insurance, building maintenance, and upgrades. **TOWNSHIP TAXPAYER FUNDS DO NOT PAY ANY CETA EXPENSES.**

Membership Drive: Our dues for this year remain at \$15.00 per family. Memberships run from July 1, 2007 to June 30, 2008. Please make your \$15.00 check or money order payable to CETA. We hope you will support us by mailing your dues and any donations by July 30, 2007 in the enclosed, self-addressed envelope.

CETA Hall: The hall is provided for the annual Pancake Breakfast held by Coldsprings-Excelsior Volunteer Fire & Rescue during the National Trout Festival. Regardless of membership, the use of CETA Hall is provided free for funeral dinners for any resident of Coldsprings or Excelsior Township. We also pay to keep the large field behind the hall mowed in summer and plowed in winter, to be used by North Flight as a helicopter landing pad for emergency medical flights. Certified instructors use the hall for Hunter's Education Training. The hall is provided at a substantial rate reduction to various associations who are CETA members located within the two townships.

CETA General Meetings: All meetings, combined with the Executive Board Meeting, are held the first Tuesday of each month, April through October, starting at 7:00 PM at the hall. **All members are welcome to attend.**

CETA Hall Rentals: Rentals are available to both members and nonmembers, (members at a discount). It has the capacity of 100 persons and is ideal for wedding receptions, graduations, family reunions, and showers. For more information call our Rental Coordinator, Vi Patterson at 258-3290

Vehicle Storage: We have inside secure storage for boats, snowmobiles and trailers. We are also offering outside storage. For more information contact Roger Patterson at 258-3290.
